Notice

It is a great pleasure to inform you that the **Department of Mathematics, BUET** is going to organize 10th National Undergraduate Mathematics Olympiad 2018 (NUMO18) for final round on **08th December 2018**. The aim of the Mathematics Olympiad is to create opportunity for our young talented students in the country to shine and show their mathematical and analytical ability and to create a nationwide awareness for the development of math skills. Enthusiastic students of our country pursuing an undergraduate course in Mathematics or any related subject in Science, Engineering or Technology are eligible to participate in the NUMO18. About 100 (hundred) students from the eight regions will be allowed to sit for the final round of Mathematics Olympiad.
